SCHEDULE OF REGULATORY & NON-REGULATORY CHARGES 2011/12

PLANNING FEES & CHARGES	2011/12 Fee	Incl GST	Charge Type	Legislation & Section*	LGA 2009 s97(2) para
MISCELLANEOUS MATTERS THAT MAY APPLY TO DEVELOPMENT APPLICATIONS					
1. Combined Applications (involving more than one type of development and/or multiple land uses): Fees for a combined application are to be the sum of those fees that would have been required in the event of a separate development application being lodged for each type (e.g. Material Change of Use, Reconfiguring a Lot, Building Work etc.) Where an application involves more than one type of land use, then the fee is to be based on the highest land use fee plus 75% of the fee for each additional land use proposed as part of the application.					
2. Additional fees for expert advice and/or assessment of technical reports by Council-engaged external consultants/specialists: Where assessment by an External Consultant or Consultants having expertise specific to a particular proposal is required the applicant shall pay the cost of the External Consultants fees plus 10%. The cost must be paid prior to the delegates or Councils final determination of the application.					
3. Refund of fees – Withdrawn applications: If an application is withdrawn, a refund of application fees is applicable as follows:					
a) Application Stage	75%	N			
b) Information and Referral Stage	50%	N			
c) Notification Stage	25%	N			
d) Decision Stage	Nil	N			
NOTE: If an application lapses during the IDAS process refund of Fees will be calculated as per above fees.					
4. Request for Application to be considered under a Superseded Planning Scheme Note: This fee is for Council to determine if the development application will or will not be considered under a superseded planning scheme. This fee applies in addition to the applicable development application fee.	$2,993	N	Reg	SPA s95(3)(b)	a
Extension of Relevant Period Request Pursuant to S98(2) of SPA	$1,402	N	Reg	SPA s98(3)(a)	e
5. Use not specifically identified in the Fee Schedule and/or Unusual Circumstances: Where an application involves a use not specifically provided for and the use or application could not reasonably be included in a category that is provided in the Schedule of fees, the Executive Manager, Development Assessment shall determine the relevant fee. This is to be based on an estimated fee to cover the total cost for Council to assess and determine the application.					
6. Major Project					
a) For major projects not covered in the scope of these fees, the fee will be determined by the Executive Manager, Development Assessment, based on an estimated fee to cover the actual cost for Council to assess and determine the application.					
b) The Executive Manager, Development Assessment, has the discretion to determine if a project is defined as a 'major project' based on:					
· The scale of the project, or;					
· The potential impacts to be assessed as part of the project; or					
· If the level of work anticipated by the nominated fee under this section does not represent the level of assessment required, or;					
· The fee is not covered in this schedule of fees and charges, or;					
· Any other relevant consideration.

MISCELLANEOUS MATTERS THAT MAY APPLY TO DEVELOPMENT APPLICATIONS Continued					
7. Re-submission of a Lapsed Application: Where a development application has lapsed and a new development application is: (a) resubmitted within 6 months of the application lapsing, and; (b) the proposal is generally in accordance with the former proposal, and; (c) there have been no changes to the Planning Scheme provisions the applicable fee will be 75% of the application fee. NOTE: Council will not accept the re-submission of a lapsed application more than once. **8. Reduction of Development Application Fees:** The Executive Manager, Development Assessment has delegated authority to determine to partially waive a Development Application Fee where a strict application of the scheduled fee is obviously unreasonable for the type of application being received. Requests for fee reduction shall be made in writing and lodged with the application and will be determined when the application is decided at which time the agreed reduction will be refunded. **9. Applications involving Implied Material Change of Use of Premises:** Any application for development which, pursuant to Section 265 of the Sustainable Planning Act 2009, implies that the application is to be taken as an application for material change of use of premises must pay, in addition to the fee for the application, the fee for the material change of use of premises. **10. Discounted Development Application Fees for subsequent development application permits resulting from a Preliminary Approval** will only apply to uses and structures that are clearly identified in the original Preliminary Approval notice. New or amended proposals will be treated as a new planning application and charged accordingly.
