September 2010 Version

WHAT IS THIS ABOUT?

ONCE AGAIN, FCRC AND WBWC HAVE MADE SLIGHT CHANGES TO THE DIGITAL SUBMISSION OF AS CONSTRUCTED INFORMATION MANUAL, ALONG WITH THE RELATED DOCUMENTS AND FORMS

WHAT HAS CHANGED?

APART FROM SEVERAL ENTRIES FROM DROP-DOWN LISTS, THE MAJOR CHANGES THAT HAVE BEEN MADE BY BOTH FCRC AND WBWC ARE TO DO WITH DATA FIELDS THAT ARE USED BY INTERNAL STAFF FROM EITHER ORGANISATION AND SHOULD NOT AFFECT EXTERNAL CONSULTANTS WHO ARE SUBMITTING AS CONSTRUCTED DATA INFORMATION TO COUNCIL. WBWC WOULD HOWEVER LIKE TO HIGHLIGHT CHANGES TO SEWER PIPES IN SECTION 7.2.2 WHICH CLARIFY DOWNSTREAM INVERT LEVELS FOR INSTANCES OF INTERNAL AND EXTERNAL DROPS INTO MANHOLES IN LINE WITH WSAA STANDARDS. ALSO A REMINDER THAT INVERT LEVELS ON GRAVITY MAINS MUST BE MEASURED AT THE ACTUAL ENDS OF THE PIPE TO ALLOW PIPE GRADE AND FALL ACROSS THE MANHOLE TO BE DETERMINED.

WHY IS THIS IMPORTANT?

THERE HAVE BEEN SEVERAL NEW ENTRIES ADDED TO VARIOUS DATA FIELDS HOWEVER THE BULK OF THE AS CONSTRUCTED SPREADSHEET REMAINS THE SAME. THESE CHANGES WERE NEEDED TO ALLOW THE DATA TO BE IMPORTED INTO COUNCIL'S SYSTEM

WHO DOES THIS AFFECT?

ONCE AGAIN, THESE CHANGES AFFECT INTERNAL AND EXTERNAL CONSULTANTS WHO DEAL WITH COUNCIL'S ASSET MANAGEMENT DEPARTMENT. ALL AS CONSTRUCTED DATA IS TO BE SUBMITTED IN LINE WITH THE CURRENT VERSION OF THE DIGITAL SUBMISSION OF AS CONSRUCTED INFORMATION MANUAL

REMINDER

PLEASE ENSURE THAT A *CERTIFICATE OF DIGITAL INFORMATION* FORM IS COMPLETED, SIGNED AND RETURNED WITH ANY SUBMISSION TO COUNCIL OF AS CONSTRUCTED DATA

ALL EMAILS ADDRESSED TO mailto:helpdeskassets@frasercoast.qld.gov.au WILL BE AVAILABLE TO THE ENTIRE ASSET MANAGEMENT TEAM REGARDLESS OF WHO IS ON LEAVE OR OUT OF THE OFFICE, SO YOUR MATTER CAN BE ATTENDED TO PROMPTLY. PLEASE HELP US KEEP TRACK OF YOUR JOBS BY ADDRESSING ASSET RELATED EMAILS TO HELPDESK ASSETS
