

Dear Teacher

Following today's recycling lesson, we have sent your students home a Design a poster request that they complete the activity and return it to you.

If you could please return the completed activity to us via mail, your student can enter a draw to win a bag of goodies.

Mailing Address: 29-31 Ellengowan Street, URANGAN, QLD 4655

We have also included an After Lesson Questionnaire for your assistance to gauge your student's participation and comprehension of our session.

Kind regards,
