

Direct Debit Request and/or Amendment/Cancellation Form

Purpose of Form: This form will be used to process new and amend existing direct debit applications including on hold placement and cancellation. One property per form.

Please note: A direct debit arrangement does not constitute a payment plan or payment option in lieu of the due date given on each notice. A direct debit is a method of making payments towards a property's rates and charges. Payment in full by the due date detailed on each notice must be made to avoid overdue charges.

IMPORTANT INFORMATION:

A direct debit does not constitute a payment arrangement for current rates or any arrears. It is your responsibility to ensure that weekly, fortnightly and monthly amounts and or frequency are sufficient to ensure the balance on any rate notice is received by the due date. Additional payment/s using another payment method may be required if the nominated debit amount and/or frequency does not satisfy the amount due on or before the due date. Failure to pay the balance by the due date will result in interest at a rate of 8% p.a. compounded daily on the remaining balance until payment in full is received. If your Direct Debit is dishonoured, your Direct Debit agreement may be cancelled. A Direct Debit agreement will automatically be cancelled when Council receives a Property Search, which indicates the property is being sold.
