Supervision: The Hiree is responsible for the supervision and control of all persons who enter the facility for any purpose relating to the booking. Wetside staff provide supervision for all customers in the facility not only the participants in bookings. Hiree representatives need to be situated around the areas in which participants are and must be visible to them at all times. All children under 12 must be supervised by a responsible person over the age of 16. Bookings for over 100 participants may require additional Lifeguards. Therefore, additional fees will occur to cover this. For safety reasons the maximum number of participants for a group booking is 200 at one time unless previously agreed to by Aquatic Management.

Safety: Upon arrival to the facility a wetside staff member will provide the group with a safety talk outlining the Wetside's conditions of entry and park rules.

Conditions of Entry: All participants must abide by the Wetside conditions of entry at all times whilst in the facility. The Wetside Staff are permitted to refuse entry/ask users to leave if they are not following the conditions of entry. **No refunds will be given for this reason.**

Playground and Totside Safety: Please follow any rules stated around the playground structure and Totside.

The Totside area is for children aged under 5 and their supervising adults. Children over 5 years old should stay in the main playground area (supervised) to avoid injury to the younger users.

Neither the Facility nor the Facility management will be liable in respect of any costs, loss or damage sustained as a result of the cancellation of the booking, but the Facility will refund any fee paid for the booking (provided that the Facility or part thereof is not unfit for use due to any act or omission of the Hiree).
