

# INDIVIDUAL EXCELLENCE AND DEVELOPMENT GRANTS GUIDELINES

## OVERVIEW

### Intent / Purpose

Fraser Coast Regional Council's Community Grants Policy supports the Goals outlined in Council's Corporate Plan 2018-2023. <https://www.frasercoast.qld.gov.au/corporate-plan>

- To be a diverse, strong and well governed region of vibrant places, with an innovative and diverse economy and connected as a whole by our community spirit and respect for our natural environment.
- To make a positive difference for the region and the lives of our community members by ensuring we provide a service that is forward looking and well managed.

Council determines the total allocation of funds to the community grants programme through its annual budgetary processes. The number and types of grants approved by Council will depend on the demand for funding, the available programme budget and corporate priorities. In some instances, part funding may be offered. Funding priorities for individual grant programmes will be regularly reviewed to ensure their relevance and they continue to meet Council objectives.
