## FACT SHEET

January 2020

### Carpark Extension—Yarrilee State School

#### PROJECT:

This project provides for the extension of the existing carpark at Yarrilee State School including the provision of an additional exit across the footpath to Scrub Hill Road.

#### PROJECT ESTIMATE:

\$90,000 (Project funded through funds provided by Department of Education)

#### PROJECT SCOPE OF WORKS

The Project scope is as follows:

- New kerb and channel
- New pavement and asphalt seal, providing an additional 10 car parking spaces
- New concrete footpath and driveway
- Linemarking, signage & restoration works

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
