SKATEPARK AND PARKOUR

FOR COMMUNITY INFORMATION

CONCEPT DESIGN - DECEMBER 2018

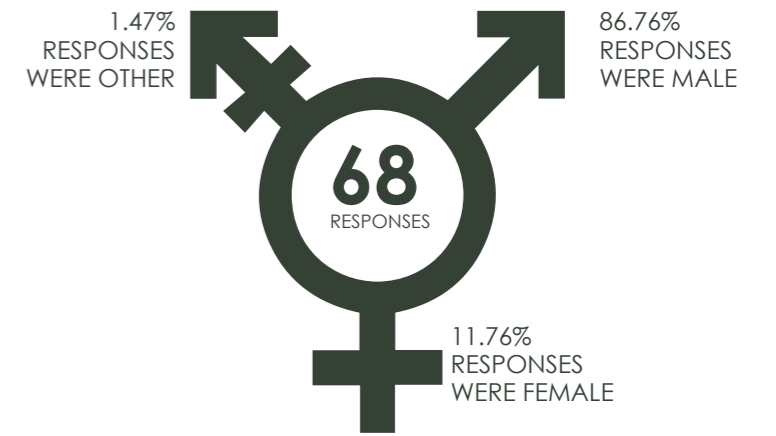

CONSULTATION SUMMARY

The following survey results are from a community consultation process undertaken 26-27th of July 2018. Participants responded in conversation and to a survey questionnaire, about a proposed Skatepark and Parkour space at Pialba Foreshore.

Council Officers and with Councillors present. Playce and a Council Officer conducted further consultation at three high schools and one primary school on the following day 27.08.18. Through this process an additional 43 participants had their say.

Public consultation was conducted at Hervey Skatepark on the 26.08.18. With over 30 attendees, 25 participated in completing surveys. The consultation was run by Playce,

The following information documents survey results from both days of consultation.

PARKOUR

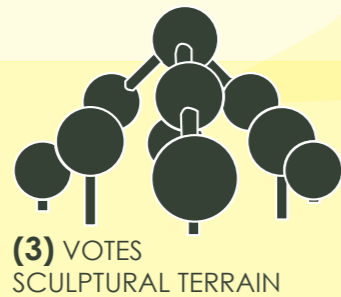

40% ARE INTERESTED IN VAULTS AND CLIMBING WALLS

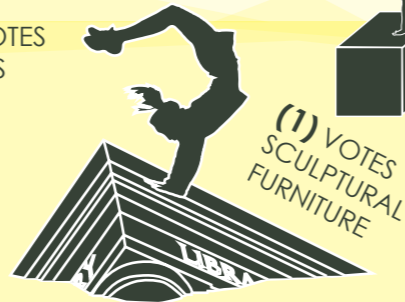

"I like parkour because you discover new things." Feedback

"I love climbing. Since i have been to various rock climbing centres and i believe it would help me improve my skills." Feedback

TOP 5 PICKS

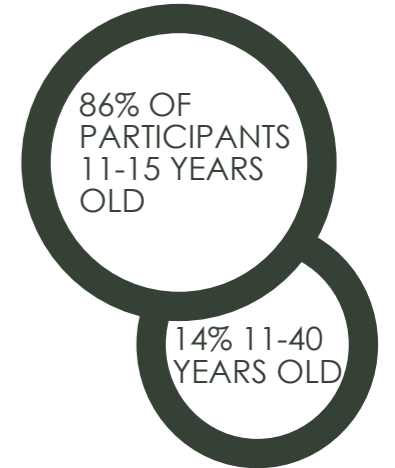

(4) VOTES WALLS

(5) VOTES BLOCKS

(2) VOTES OPEN/GAPS

AGE

SKATE

"Fun to roll around riding bike, scooter or skateboard." Feedback

"Try to accommodate all ages and consider users of all types of skate/bike interaction." Feedback

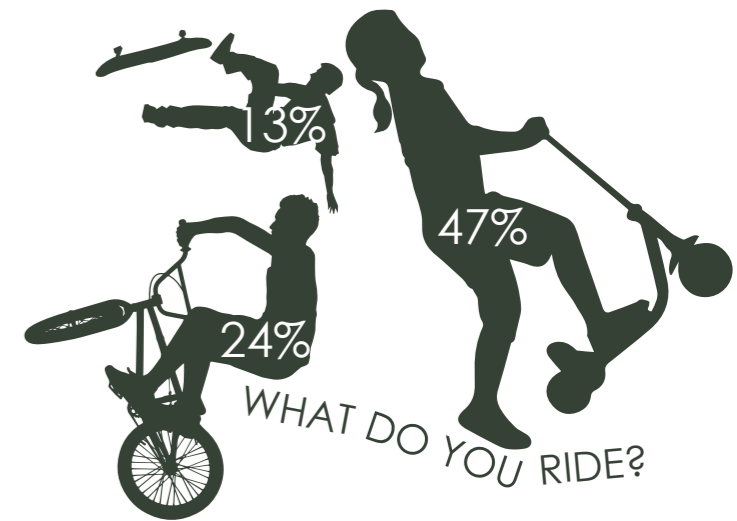

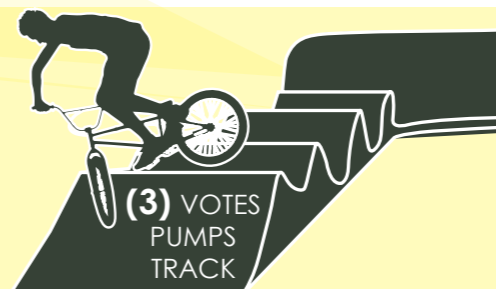

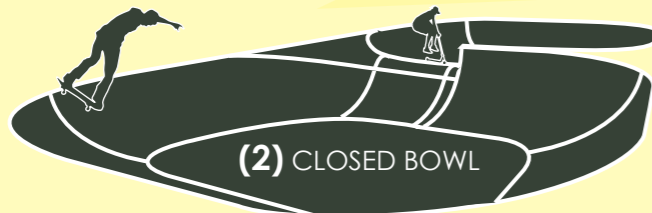

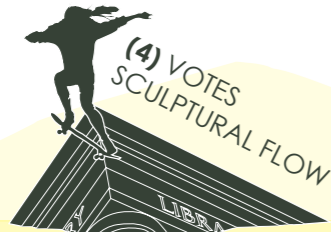

WHAT SKATE PARKS DO YOU GO TO?
Hervey Bay 75%
Maryborough 25%

"Aboriginal graffiti on the ramps -lights at the skatepark."

"Less packed like Hervey Bay skate park, more spaced out so it allows more accessibility to skateboarders and bmx riders".

66% ARE INTERESTED IN TRANSITION STYLE
