

# Recycling at Transfer Stations or Tips

Fraser Coast Waste offers residents free disposal of the following items at any of the tips or transfer stations in the region:

- Clean green waste up to 4m<sup>3</sup> or 1 tonne - no green waste from development sites will be accepted. Branches, limbs and trunks to be no more than 1200mm in length or 400mm in diameter. Green waste is vegetation only (no plastic or timber products). Painted or laminated timber products are not acceptable as green waste and will incur a disposal fee.
- Waste oil up to 20L
- Car Batteries
- Reusable materials are assessed - This may include furniture, appliances and left over building/landscaping materials
- Clean recyclable materials - glass bottles and

jars, paper and cardboard, steel cans and aerosols, plastic bottles and containers and aluminium cans and aerosols. (Cardboard must be flattened and free of polystyrene and plastics).

- Car bodies (accepted at all landfill sites and transfer stations except Yengarie Transfer Station)

For free disposal of the above mentioned products, they must be separated from any general household waste or non-recyclable products.
