

The Facts: Water Main Upgrade

Torquay Rd from Queens Rd to Totness St

PROJECT: Torquay Rd Water Main Upgrade

PROJECT DESCRIPTION:

This project involves the replacement of the existing 200mm water main on Torquay Rd from Queens Rd to Totness St. These works form part of an overall and ongoing water supply asset renewal program to ensure quality potable water to Hervey Bay.

PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Contractors for Wide Bay Water will replace the 200mm water main on the South side of Torquay Road
- The works are planned to commence in October, with project completion scheduled for November 2019, weather permitting.
- Some half road closures are to be expected. Affected businesses and residents will be notified prior to works commencing.

- Various plant, earth moving equipment and traffic control may cause some disturbance to traffic flow. Motorists and pedestrians are requested to observe roadwork signs, traffic control, perimeter fencing and signage for the duration of the works.

INDICATIVE PROJECT MILESTONES

October 2019	Construction Period
November 2019	Project Completion
