

## Upgrade of Main Street/Chapel Road/Maggs Hill Road Intersection

### PROJECT:

This project provides for the construction of a roundabout at the Main Street/Chapel Road and Maggs Hill Road intersection.

These works will complete the Stage 3 upgrade works for Main Street. Initial pre-construction works which will include the relocation of services including Telstra, Optus and Ergon (11kv low voltage power lines and fibre optic) will be completed in 2019/20.

The construction of the new roundabout works are proposed for inclusion in the 2020/21 budget.

### PROJECT ESTIMATE:

\$855,155 (2019/20) (service relocations)

\$3M (2020/22) (construction of roundabout)

### PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Earthworks
- Service relocations
- Roundabout and associated works
- Topdressing and turfing of disturbed areas

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.

### INDICATIVE PROJECT MILESTONES

March 2020	Final Design
April/June 2020	Tender Period
Aug/June 2021	Construction Period
July 2021	Project Completion

Note: Project milestones are subject to contract and weather and may change.
