

Date: 16/12/2019 **Author:** Paul Andrew **Project:** Tavistock Street and Freshwater Street Intersection
TGS #: 6146-001 **Rev #:** 1 **TMD#:** R762

Comments:

This TGS has been drafted for water main, sewer reticulation, stormwater drainage and pavement reconstruction works on the southern side the Tavistock Street and Freshwater Street Intersection. A separate TGS will be required for works on the northern side, LHS and RHS, of Tavistock Street and Freshwater Street Intersection.

Traffic Guidance Scheme drawn with reference to the MUTCD Part 3, 2019, Tenth Issue
 TGS based on MUTCD Part Supplement, Figure 5-1.12
