

## Kerb and Channel Replacement — Albert Street (John Lane to Lennox Street)

### PROJECT:

This project provides for the replacement of a section of the kerb and channel, driveway access, pavement and footpath on the northern side of Albert Street between John Lane and Lennox Street.

These works are part of the recent asphalt resurfacing works undertaken in Maryborough and will allow for the finalisation of this asphalt resurfacing package.

### PROJECT ESTIMATE:

**\$40,000**

### PROJECT SCOPE OF WORKS:

- Earthworks and excavation
- Replacement of section of kerb and channel
- Replacement of driveway access
- Replacement of section of footpath
- Placement of new pavement
- Asphalt surfacing
- Top dressing and turfing of disturbed areas

During construction works, Albert Street between John Street and Lennox Street will be one way only, with motorists able to travel in a westerly direction towards Fort Street.
