

Parallel Parking (Dividing Strip)

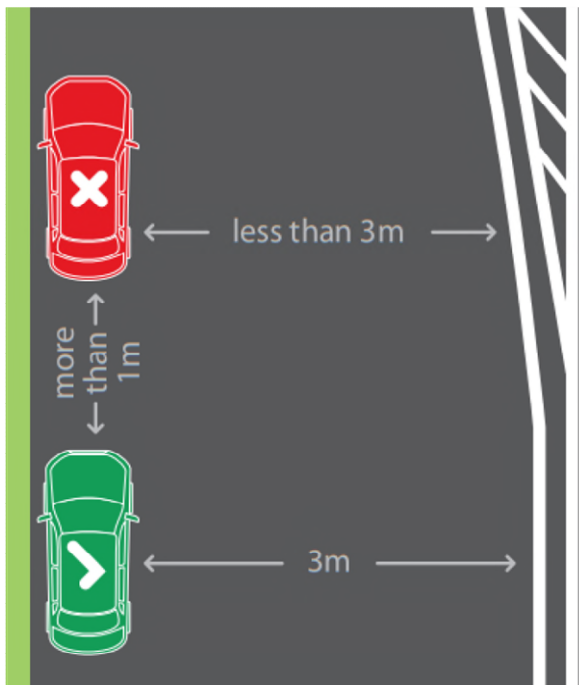

Transport Operations (Road Use Management—Road Rules) Regulation 2009

FACT SHEET

Across the Fraser Coast Region, Council is responsible for the regulation of parking in accordance with the Transport and Operations Road Use Management Act and Local Law No 5 (Parking) 2011.

Parallel Parking (Dividing Strip)

A driver who parks on a road (except in a median strip parking area) must position the vehicle at least 3m from the continuous dividing line or dividing strip, unless otherwise indicated by information on or with a parking control sign.

Where should I park my vehicle?

Motorists should seek to find car parking on the road or in off-street car parks.

What if I park my vehicle there?

Council Parking Officers continue to conduct regular patrols across the region to ensure the safety of cyclists, motorists, and pedestrians.

Parking near a dividing strip will result in a parking infringement being issued in accordance with the council's Local Laws.

On-the-spot fines may be issued.

How can I report unlawful parking?

If you are concerned about a vehicle parked unlawfully, please contact Fraser Coast Regional Council and a representative will investigate the matter.
