

Parallel Parking

Transport Operations (Road Use Management—Road Rules) Regulation 2009

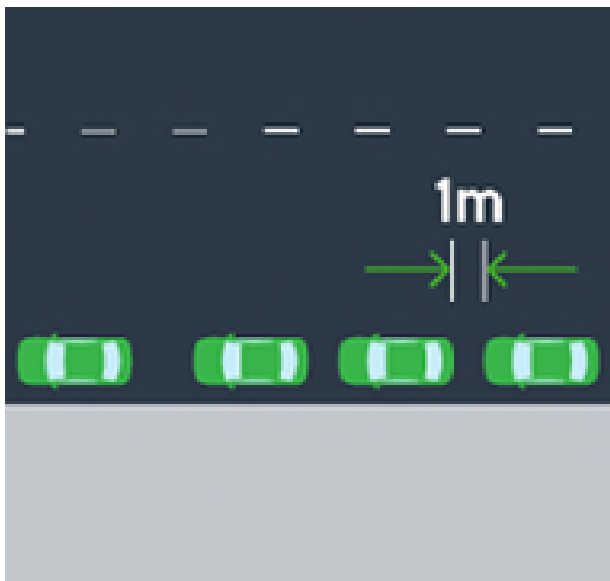

FACT SHEET

Across the Fraser Coast Region, Council is responsible for the regulation of parking in accordance with the Transport and Operations Road Use Management Act and Local Law No 5 (Parking) 2011.

Parallel Parking

A driver who parks on a road (except in a median strip parking area) must position the vehicle in the direction of travel of vehicles in the marked lane or line of traffic on, or next to, the part of the road where the driver parks.

If the road is a two-way road, the driver must position the vehicle parallel, and as near as practicable, to the far-left side of the road.

Where should I park my vehicle?

Motorists should seek to find car parking on the road or in off-street car parks.

What if I park my vehicle there?

Council Parking Officers continue to conduct regular patrols across the region to ensure the safety of cyclists, motorists, and pedestrians.

Parking near a dividing strip will result in a parking infringement being issued in accordance with the council's Local Laws.

On-the-spot fines may be issued.

How can I report unlawful parking?

If you are concerned about a vehicle parked unlawfully, please contact Fraser Coast Regional Council and a representative will investigate the matter.

Additional Information

To obtain additional information about Parking, please feel free to reach out to the Council using any of the following methods:

- Visit the website:
