Transport Operations (Road Use Management—Road Rules) Regulation 2009

## FACT SHEET

*Across the Fraser Coast Region, Council is responsible for the regulation of parking in accordance with the Transport and Operations Road Use Management Act and Local Law No 5 (Parking) 2011.*

### Timed Parking

A driver must not park continuously on a length of road, or in an area, to which a permissive parking sign applies for longer than the period indicated by information on or with the sign.

A driver must leave the immediate area at the expiration of the allocated time.

### Where should I park my vehicle?

Motorists should seek to find car parking on the road or in off-street car parks.

### What if I park my vehicle there?

Council Parking Officers continue to conduct regular patrols across the region to ensure the safety of cyclists, motorists, and pedestrians.

Parking for longer than indicated will result in a parking infringement being issued in accordance with the council's Local Laws.

On-the-spot fines may be issued.

### How can I report unlawful parking?

If you are concerned about a vehicle parked unlawfully, please contact Fraser Coast Regional Council and a representative will investigate the matter.
