## Pioneers Rest Bridge Demolition

### PROJECT:

This project provides for the demolition of the Pioneers Rest Bridge located on Pioneer's Rest Road at Antigua. The bridge crosses Myrtle Creek approximately 5.5km upstream of where it converges with the Mary River.

The timber bridge previously provided vehicular access from Mungar Road to residences on rural properties and grazing land situated north and south of Myrtle Creek but has not been used for a considerable number of years and due to its condition was identified for demolition. Access to all properties will continue to be provided by the roadways either side of Myrtle Creek which adjoin with Mungar Road.

### PROJECT ESTIMATE:

\$90,000

### PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Demolition and removal of timber bridge

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.

### INDICATIVE PROJECT MILESTONES

May 2020	Final Design
May/June 2020	Tender Period
June/July 2020	Construction Period
August 2020	Project Completion

Note: Project milestones are subject to contract and weather and may change.
