

ILLEGAL DUMPING UPDATE

19/20 resulted in \$20,000 of illegal dumping infringements being issued. Approximately 150 tonnes of waste was cleaned up by offenders as requested by Council. For the year, Council averaged approximately one reporting of illegal dumping per day.

We would invite the public to assist us in identifying alleged offenders in the following hotspot areas:

- The walkway between McDonalds, Urangan and Dayman Street; that is, Margaret Street, Urangan.
- Eli Creek Road area, Eli Creek.
- Old mud trails track, off Dundowran Road, Walligan.
- Tiaro Memorial Park, Mayne Street, Tiaro.

Let's ensure the "Polluter Pays" by dobbing in a dumper. It is easy to do and there are many ways to do it.

Just remember, you can have your bin serviced more than once per week if you need to. For a one off service for a 240lt waste bin it is \$3.15 or \$3.30 for a recycle bin (domestic). Council's recycle and waste facilities at Nikenbah and Maryborough are open from 7.30am to 5pm, 364 days per year.
