

# Asphalt Crack Sealing—Craignish, Burrum Heads, Tinana and Kawungun

## PROJECT:

This project provides for asphalt crack sealing works of various areas within Craignish, Burrum Heads, Tinana and Kawungun.

The asphalt crack sealing works are being undertaken as a standard maintenance routine to extend the life of the asphalt pavement before major rehabilitation or reconstruction of the roadway is necessary.

A list detailing the streets that will be included as part of this package are detailed on Page 2.

## PROJECT ESTIMATE:

\$100,000

## PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Asphalt crack sealing (rubber based bitumen sealant).

During the works the Contractor will have local traffic diversions in place to assist with negotiating around the work sites. There may be a requirement to close sections of the street to all traffic for up to 15 minutes during application of the product. Following drying, the roadway will be reopened for normal traffic use.

Residents will be asked to ensure that all vehicles are parked off the roadway whilst the works are being undertaken.
