October 2020

Replacement of Kerb Ramps—Northern Area

PROJECT:

This project provides for the replacement of kerb ramps at the following locations to provide improvements to the disability access in these areas-

- Burrum St and Ross St, Burrum Heads
- Robertson St and Crawford St, Torbanlea
- Robertson St and Union St, Torbanlea
- Robertson St and South Union St, Torbanlea

The kerb ramp replacement works were identified for completion as a result of inspections carried out as part of Council's ongoing asset inspection program.

PROJECT ESTIMATE:

\$100,000 (this project is funded through the State Government's Covid Works for Queensland Funding Program)

PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Excavation and earthworks;
- Kerb ramp replacement works;
- Topdressing and turfing of disturbed areas.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
