5.00pm - 8.00pm

Everyone welcome!

Phone Tina: 0448 705 875, or email:
environment@frasercoast.qld.gov.au

Event Overview

Get to know some of our local frog species, why they are important, what threats are they facing and how you can help.

Brief presentation followed by evening field survey.

Please bring your own torch or headlamps if you have them - some will be available for use on the night.

Wear mozzie proof clothing and repellent.
