

Key Values

- Average value of 3.06 out of 5 on the survey (with 5 very highly valued).
- Workshop participants acknowledged the value of the area is in the undeveloped nature of the locality, and opportunities for camping
- Turtle nesting sites
- Foreshore erosion was a key concern raised by survey respondents and workshop attendees

"Undeveloped beaches like Tinnanbar are our favourite places to visit".

Values and Changes (all workshops)

VALUES ●

1. Camping site ★
2. Tinnanbar foreshore/boat ramp/
stairs experience severe erosion ★★
3. Turtle basking site on creek
4. Access to this village is difficult but
it provides another lifestyle option
and ability to be a bit remote in a
well serviced area

CHANGES OBSERVED ●

1. Severe erosion along foreshore ★
