

Pavement Reconstruction Works — Part of Doolong South Road

PROJECT:

This project provides for road pavement rehabilitation works in Doolong South Road for a distance of approximately 170m adjacent to property located at 294 Doolong South Road.

The pavement rehabilitation works are being undertaken as a result of inspections carried out as part of Council's ongoing asset inspection program which identified that the road was showing signs of pavement failure and distress.

PROJECT ESTIMATE:

\$120,000

PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Pavement rehabilitation works including new Bitumen surfacing

The traffic management plan that will be put in place will allow for the use of traffic controllers/traffic lights; however, one lane will remain open at all times to allow for through traffic to traverse the area whilst the works are being undertaken.
