Road Pavement Rehabilitation—James St (Bedford St to Victory St)

PROJECT:

This project provides for the pavement construction of James Street between Bedford Street and Victory Street.

This project was identified for completion as part of Council's road reconstruction prioritisation process due to the road's current condition level.

PROJECT ESTIMATE:

\$540,000 (this project is funded through the Australian Government's Roads to Recovery Program)

PROJECT SCOPE OF WORKS:

- Excavation and earthworks;
- Pavement rehabilitation works including new asphalt surfacing;
- Kerb and channel replacement;
- Driveway reconstruction (reinstatement works will be completed in plain concrete only);
- Replacement of existing stormwater drainage pits;
- Subsoil drainage works;
- Pavement marking;
- Restoration works.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
