## Installation of Pedestrian Crossing—Kent Street

### PROJECT:

This project provides for the installation of a pedestrian crossing in Kent Street adjacent to the Federal Carpark.

There have been numerous requests in recent years for the installation of a pedestrian crossing in Kent Street adjacent to the entrance to the Federal Carpark. Pedestrian counts were undertaken in this area which indicated that there was a sufficient number of pedestrian movements to warrant the installation of a pedestrian crossing at this location.

### PROJECT ESTIMATE:

\$5,000

### INDICATIVE PROJECT MILESTONES

Sept 2021	Construction Period
Sept 2021	Project Completion

Note: Project milestones are subject to weather and may change.

### PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Installation of pedestrian crossing and associated traffic signage.

The traffic management plan that will be put in place during the installation of the pedestrian crossing will be developed prior to works commencing.

Location: Kent Street - Federal Carpark, Maryborough
