Kerb and Channel and Footpath Construction—Samarai Drive

PROJECT:

This project provides for the construction of approximately 170m of barrier kerb and 200m of 2.5m wide concrete footpath on the southern side of Samarai Drive, Kawungan.

This project was identified for completion as part of Council's Active Travel Strategy and will complete the footpath connection through the roundabout and along Samarai Drive.

PROJECT ESTIMATE:

\$310,000

PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Excavation and earthworks;
- Concrete barrier kerb works;
- Concrete footpath works;
- Associated drainage works;
- Topdressing and turfing of disturbed areas.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
