***WARNING:** Batteries and flares should never be put in your kerbside bins. Flares can be disposed of at the Maritime Safety QLD, Buccaneer Ave, Urangan. Big batteries can be dropped at Fraser Coast Waste Facilities and small batteries are accepted at Aldi, Coles and Woolworths.

Unfortunately, the REDcycle scheme is no longer operational. Industry is working hard to identify pathways to create recycling options for soft plastics. Until a solution is found, please put soft plastics in the general waste bin or avoid them altogether.
