

# FACT SHEET

March 2022

## Ann Street and Adelaide Lane Intersection Upgrade

### PROJECT:

This project provides for an upgrade of the Ann Street and Adelaide Lane intersection including the installation of a new raised platform in stamped coloured asphalt, 2 x kerb ramps, raised pavement markers, lighting, linemarking and signage.

The completion of this project will provide for improved safety for users of this intersection.

### PROJECT ESTIMATE:

\$108,500 (this project is funded through the Australian Government's Black Spot Program)

### PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Reconstruction of kerb returns;
- Construction of new raised platform in stamped coloured asphalt on Adelaide Lane (north);
- Installation of 2 x kerb ramps;
- Raised pavement markers;
- Linemarking and signage
- Upgrade to existing lighting;
- Restoration Works

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
