Road Rehabilitation Works—Ariadne Street, Bazaar Street, Arnaud Street and Steindl Street

PROJECT:

This project provides for sectional road rehabilitation works at the following locations:

- Ariadne Street—between Pioch Street and Lambert Street;
- Bazaar Street –between Albert Street and Ann Street;
- Arnaud Street—between Odessa Street and Holme Street;
- Steindl Street—between Cardigan Street and Holme Street.

These projects were identified for completion as part of Council’s prioritisation process due to each roads current condition level.

PROJECT ESTIMATE:

\$796,000 (these projects are funded through the Australian Government’s Local Roads and Community Infrastructure Program)

PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Excavation and earthworks;
- Pavement rehabilitation works including new asphalt surfacing;
- Restoration works.

The traffic management plan that will be put in place for the duration of the construction period will allow for a one lane, two way traffic arrangement with traffic controllers in place.

INDICATIVE PROJECT MILESTONES

Nov 2022	Construction Period
Jan 2023	Project Completion
