

Footpath Construction—Inman Street, Tiaro (Mayne Street to Copenhagen Street)

PROJECT:

This project provides for the construction of a 1.3m wide concrete footpath on the southern side of Inman Street between Mayne Street and Copenhagen Street.

This project was identified for completion as part of Council's Active Travel Strategy.

PROJECT ESTIMATE:

\$90,000

PROJECT SCOPE OF WORKS:

- Excavation and earthworks;
- Concrete footpath construction (it should be noted that the proposed footpath will not meet DDA requirements due to existing surface grades);
- Reconstruction x 1 existing concrete driveway crossover providing access to 2 Inman Street;
- Regrading of existing gravel driveways providing access to 2 Inman Street;
- Topdressing and turfing of disturbed areas.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing. To enable the works to be completed in a safe working environment, the parking areas located adjacent to the worksite will be impacted from time to time whilst the works are being completed.

INDICATIVE PROJECT MILESTONES

January 2023	Final Design
Jan/Feb 2023	Construction Period
March 2023	Project Completion
