

Footpath Construction and Concrete Bus Stop Hardstand Area— Forgan Lane

PROJECT:

This project provides for the construction of a 1.3m wide concrete footpath on the eastern side of Forgan Lane from the existing footpath in Forgan Terrace for a distance of approximately 20.7m. A concrete bus stop hardstand area on the eastern side of Forgan Lane in the vicinity of the Tiaro Library will also be constructed.

This project was identified for completion as part of Council’s Active Travel Strategy. The works will improve student bus drop off and collection on the eastern side of Forgan Lane.

PROJECT ESTIMATE:

\$50,000 (this project is partly funded through the State Government’s Transport Infrastructure Development Scheme)

PROJECT SCOPE OF WORKS:

- Excavation and earthworks;
- Construction of a 1.3m footpath on the eastern side of Forgan Lane from the existing footpath in Forgan Terrace for a distance of approximately 20.7m;
- Construction of ramp and bus stop hardstand area;
- Topdressing and turfing of disturbed areas.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
