Raised Priority Crossing—Ann Street, Hervey Bay

PROJECT:

This project provides for the construction of a concrete raised priority crossing in Ann Street at its intersection with Boat Harbour Drive.

The completion of these works will improve safety for cyclists and pedestrians crossing Ann Street whilst utilising the Rail Trail in this location.

PROJECT ESTIMATE:

\$450,000 (This project is partly funded through the Queensland Government’s Cycle Network Local Government Grants program.)

PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Excavation and earthworks;
- New raised priority crossing including concrete island infills;
- New areas of coloured concrete;
- New areas of footpath connections;
- New sections of kerb and channel and kerb ramps;
- Linemarking and signage;
- Restoration works.

The Traffic Management Plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
