

# SCHEDULED CHANGES @HERVEY BAY AQUATIC CENTRE

Work on the first stage of a Hervey Bay Aquatic Centre upgrade is occurring in 2024.

- During this time, the 25m pool area will be closed (reopening 14 October 2024).
  - The 50m pool and heated program pool will remain open.
  - There will be some changes to schedules during this time to ensure fair access for user groups and the general public.

ⓘ Please note the heated program pool is specially designated for learn-to-swim classes and rehabilitation activities; it is not for lap swimming.

We thank everyone for their cooperation and understanding while work to improve and enhance the centre is underway.
