

Asphalt Rejuvenation and Crack Sealing – Urangan, Point Vernon, Torquay, Boonooroo, Poona, Wondunna and Maryborough

PROJECT:

This project provides for asphalt rejuvenation and crack sealing of various areas within Urangan, Point Vernon, Torquay, Boonooroo, Poona, Wondunna and Maryborough.

The asphalt rejuvenation and crack sealing works are being undertaken as a standard maintenance routine to provide a revitalised waterproofing layer to the asphalt and to repair cracks in the existing asphalt surface. These works will extend the life of the asphalt and maintain the durability of the underlying road pavement.

A list detailing the streets that will be included as part of this package are detailed on Page 2.

PROJECT ESTIMATE:

\$270,000

PROJECT SCOPE OF WORKS:

The project scope is as follows:

- Asphalt Rejuvenation works
- Crack Sealing works

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing however, it should be noted that no traffic is permitted to use the road surface as detailed below:

- Asphalt Rejuvenation - approximately 3-5 hours.
- Crack Sealing – approximately 15 minutes.

INDICATIVE PROJECT MILESTONES

November 24	Tender Period
May/June 2025	Construction Period
July 2025	Project Completion

Note: Project milestones are subject to contract and weather and may change.

Further information relating to the asphalt rejuvenation process can be found via the QR Code link below:
