- This application is to be used to apply for a waste collection from an annual CUA Day event.
- All applications must include proof of event registration with CUA (refer 1. Standard Terms and Conditions of Approval).
- Photos *must* be provided of site before and after removing waste. These photos must be stamped with GPS, time and date.
- Application *only* applies to litter collected from Council owned public spaces and *does not* include litter collected from State Government controlled and managed roads/reserves and/or private property.
- Litter is classed as waste less than 200 litres in volume (i.e. one wheelie bin size). Any volume of waste greater than 200 litres (e.g. fridge, mattress) is classified as illegal dumping. Illegal dumping items will be charged at normal Schedule of Fees and Charges rates.
