

Asphalt Resurfacing – Various Locations - Hervey Bay

PROJECT:

This project provides for the asphalt resurfacing of the following sections of Hervey Bay Streets. Information also notes where day/night works are planned:

- Torquay Rd (Queens Rd to Zephyr St – incl Queens Rd Intersection), Scarness – **Day Works**
- Torquay Rd incl Neils St (Zephyr St to Hunter St), Pialba – **Night Works**
- Taylor St (Andrew St to Hillyard St – incl Roundabout on Torquay Rd), Pialba – **Night Works**
- Murphy St (Wattle St to Corser St), Point Vernon – **Day Works**
- Anchorage Cct (from Spinnaker Dr to No. 58 Anchorage Cct), Point Vernon – **Day Works**
- Spinnaker Dr (North St to No. 12 Spinnaker Dr), Point Vernon – **Day Works**
- North St (Wattle St to End), Point Vernon – **Day Works**

The asphalt resurfacing works are being undertaken as a result of inspections carried out as part of Council's ongoing asset inspection program which identified that the roads were showing signs of pavement failure and distress.

PROJECT ESTIMATE:

PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Service alterations;
- Asphalt Resurfacing.

INDICATIVE PROJECT MILESTONES

July 2025	Tender Period
Sept-Oct 2025	Construction Period
Nov 2025	Project Completion

The Traffic Management Plans that will be put in place for the duration of the construction period will allow for a single lane closure during completion of the works with the exception of Anchorage Cct and North St which will be completed under a full road closure (local traffic only permitted) due to the narrow width of these roads.

Note: Project delivery dates will be provided via a letterbox drop by the Contractor appointed to complete the works. However, it should be noted that milestones are subject to contract and weather and may change.
