

Road Resurfacing Works – William Street

PROJECT:

This project provides for road resurfacing works in William Street, Howard between the Bruce Highway and the railway line.

The works are being undertaken as a result of Council's ongoing asset inspection program which identified that the road was showing signs of road surface failure and distress.

PROJECT ESTIMATE:

\$1.14M

PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Edge planing and patching;
- Minor surface repairs;
- Asphalt Resurfacing.

The Traffic Management plan that will be utilised as part of the delivery of this project plans for a single lane closure with a two-way traffic arrangement or small detour as appropriate. A full closure of the intersection of William Street and Steley Street will be required when the works in that location are undertaken.
