

What is the Home Library Service?

Fraser Coast Library members that are unable to visit the library regularly due to disability, limited mobility, or chronic illness may be eligible to utilise our free Home Library Service.

Resources are delivered and collected every 3 weeks. Delivery dates and frequency may alter to accommodate public holidays.

This service is provided in collaboration with Friends of the Library volunteers.

Declaration

By completing this application I declare:

- I am unable to visit a library regularly due to disability, limited mobility, or chronic illness.
- I am aware that an application does not guarantee acceptance to the Service and that staff will notify me to advise the status of my application.
- I am aware I must notify the library of any change in circumstances, including contact details and periods where I do not require a delivery.
- I understand that while the team makes every effort to meet borrowing preferences, deliveries may include genres and subjects outside my reading preferences due to the popularity and availability of some items.
