

Road Reconstruction – Walker Street (Yaralla Street to Pallas Street)

PROJECT:

This project provides for road reconstruction works in Walker Street between Yaralla Street and Pallas Street.

The works are being undertaken as a result of inspections carried out as part of Council’s ongoing asset inspection program which identified that this section of Walker Street was showing signs of failure and distress.

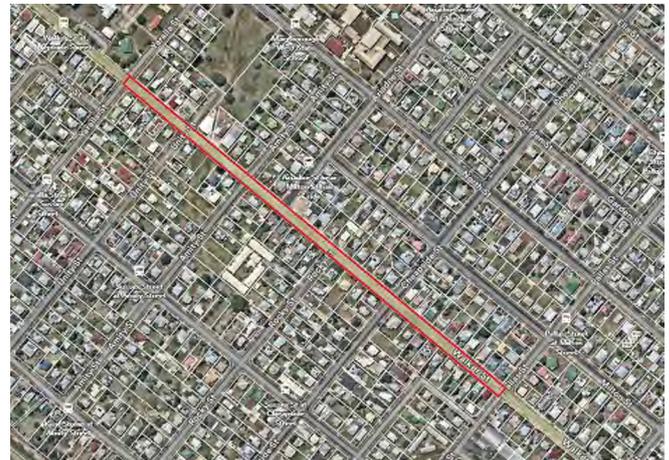

PROJECT ESTIMATE:

\$6.5M (this project is partly funded through the State Government’s Works for Queensland Funding Program)

PROJECT SCOPE OF WORKS:

The project scope is as follows:

- Excavation and earthworks;
- Pavement reconstruction works including new asphalt surfacing;
- Replacement of existing kerb and channel;
- Construction of a new 2m wide concrete footpath on the northern side of Walker Street between Yaralla Street and Pallas Street. Footpath areas that traverse commercial driveway areas will be completed in red;
- New full width concrete footpath at storefront of 135 Walker Street;
- New concrete commercial pavement area in front of 169/173 Walker Street;
- Reinstatement of existing concrete bus stop area in front of 163 Walker Street;
- New pedestrian refuge in Rocky Street at its intersection with Walker Street;
- Kerb ramps;
- Stormwater drainage works;
- Tree removals at 181, 179, 170, Lot 2 and Lot 52 (frontage to Council land), 157-159, 154, 155, 153, 151, 149, 145, 136x2, 133, 129, 125, and 123 Walker Street with replacement plantings to be undertaken at 188, 179, 167, 161, 155, 151, 149, 145, 136x2, 127, 125, and 123 Walker Street;

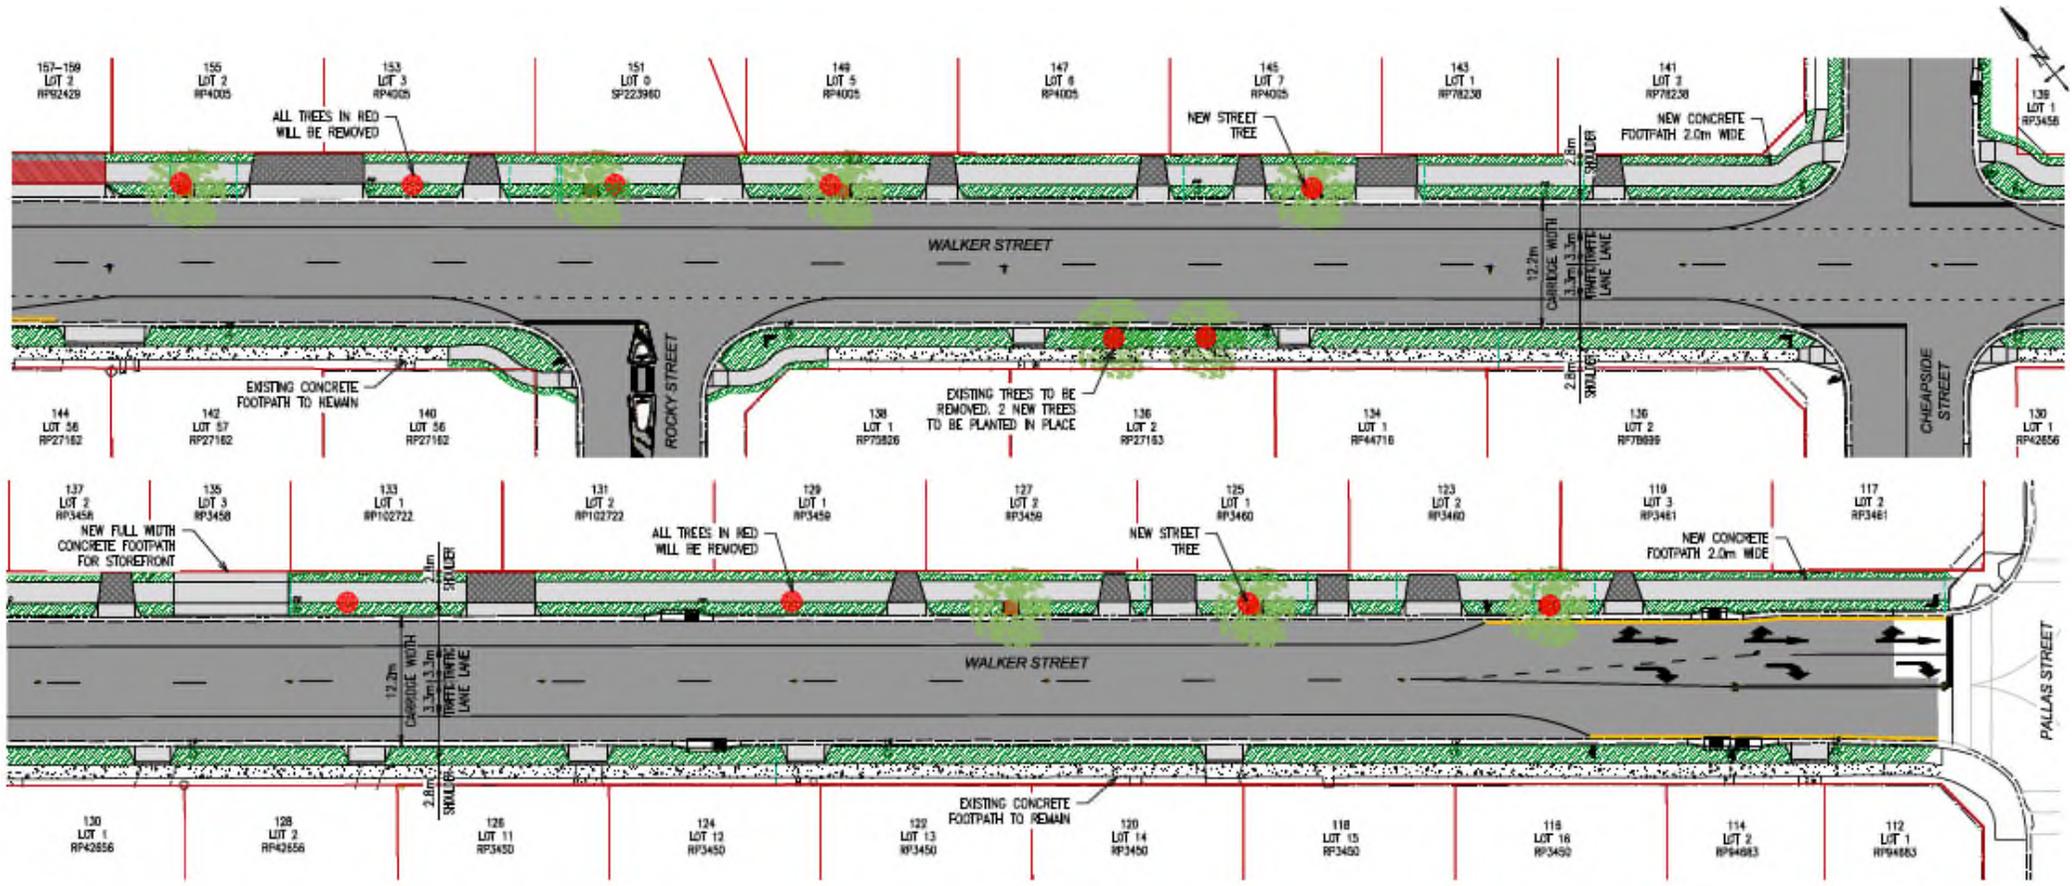

PROJECT SCOPE OF WORKS (CONTD):

- Reconstruction of 6 commercial driveways and vehicle crossovers at 179/175, 175, 173, 171, 169 and 157-159 Walker Street, 19 residential driveways and vehicle crossovers at 181/179, 167, 163, 155/153, 153 151, 149, 147, 145, 145/143, 141, 137, 133/131, 129, 127, 125x2, 123 and 119 Walker Street and 18 vehicle crossover areas at 170, 168, 166/164, 154, 152, 150a, 150, 148, 146, 144/142, 136, 134, 130, 128, 126, 124, 120, 114 Walker Street (*Note: reinstatement works to be completed in plain concrete only*);
- Upgrade of lighting in this section of Walker Street;
- Areas of yellow linemarking, topdressing and turfing of disturbed areas.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
