

## Road Reconstruction – Walkers Point Road (Eden Street to Beaver Rock Road)

### PROJECT:

This project provides for road reconstruction works in Walkers Point Road between Eden Street and Beaver Rock Road.

The road reconstruction works are being undertaken as a result of Council’s ongoing asset inspection program which identified that the road was showing signs of pavement failure and distress.

### PROJECT ESTIMATE:

\$2M

### PROJECT SCOPE OF WORKS:

The project scope is as follows:

- Excavation of existing surfacing and pavement;
- Earthworks;
- Installation of new pavement material;
- Pavement widening;
- Table drain works;
- Existing culvert property accesses to remain with reinstatement of driveways at 236, 264, 288, 300 and 91 Walkers Point Road, 9 Eden Street East and Lot 1 SP144367 and Lot 2 RP845906;
- New culvert property accesses and reinstatement of driveway at 245 Walkers Point Road, Lot 2 SP170659 and Lot 92 M140964;
- Areas of rock protection;
- Bitumen resurfacing;
- Pavement marking and signage;
- Reinstatement works.

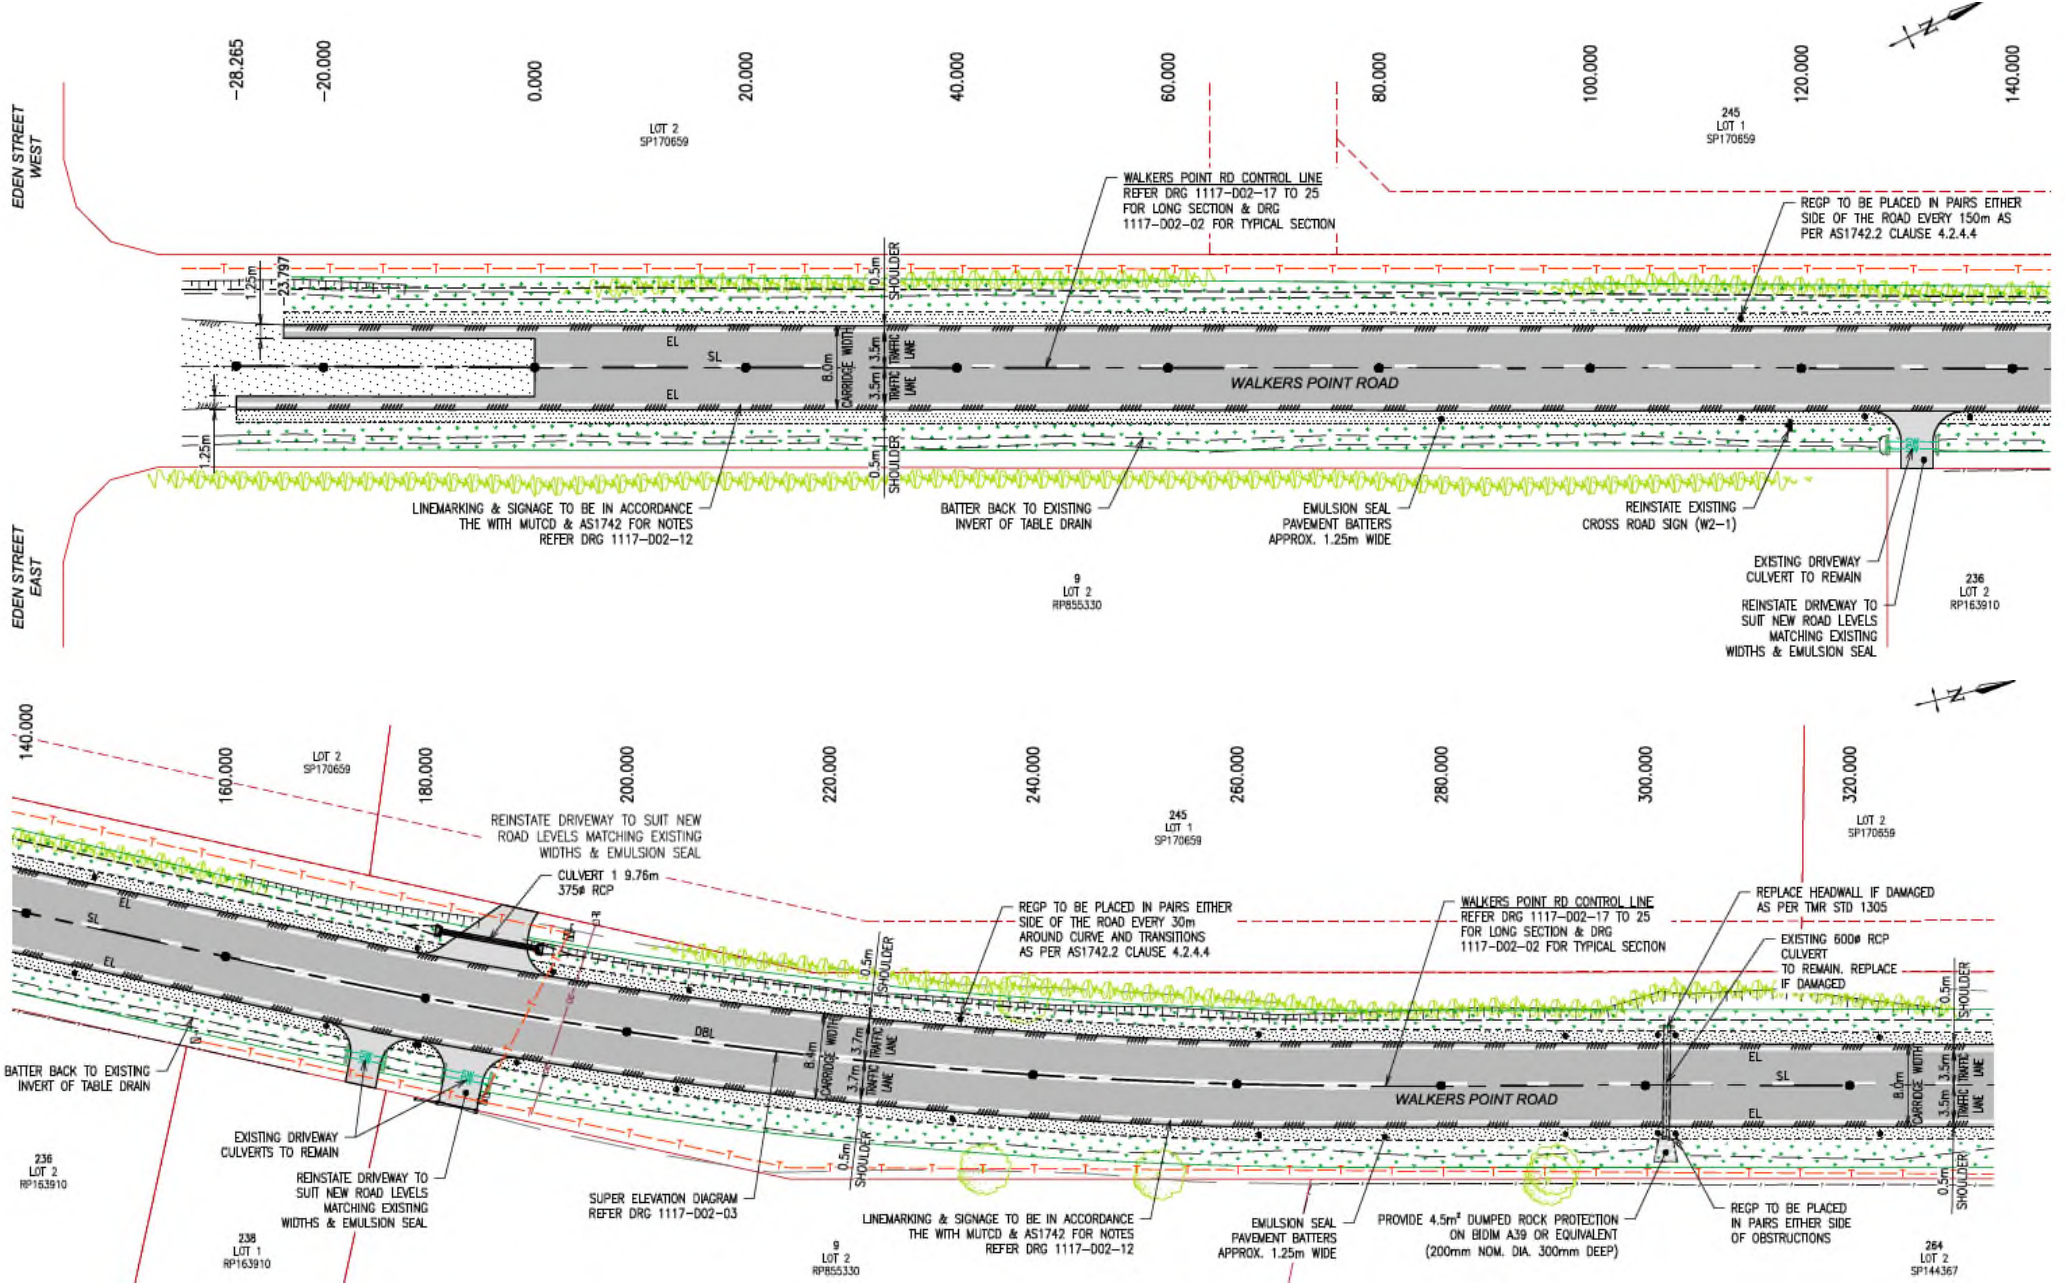

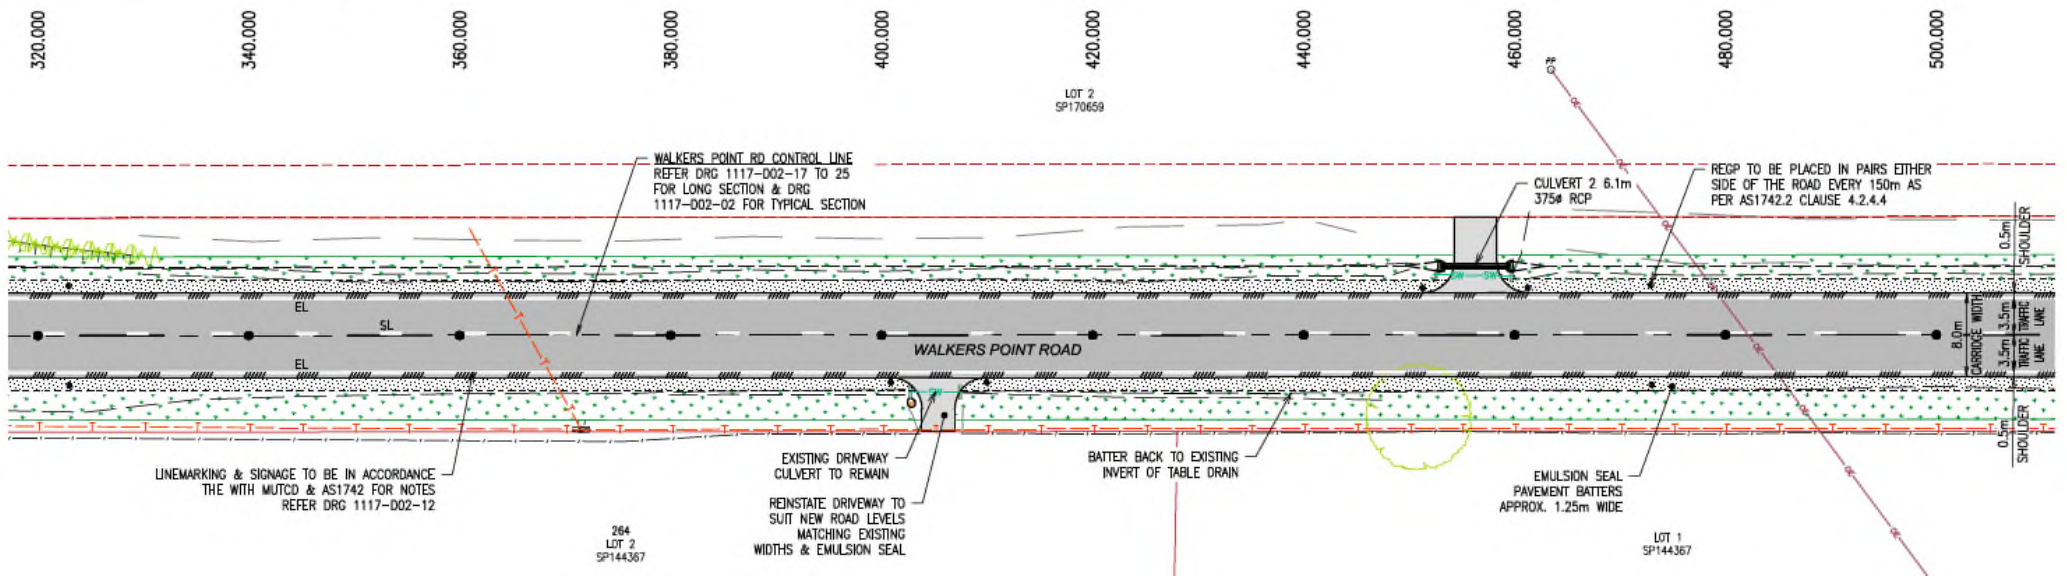

The traffic management plan that will be put in place for the majority of the construction period will allow for a shuttle flow lane closure arrangement with traffic control during working hours and traffic lights after hours.
