Application for Approval to Operate a Camping Ground
Fraser Coast Regional Council Local Law No. 1 (Administration) 2011

IMPORTANT INFORMATION
Privacy Notice: In using this form, you are providing personal information such as name and contact details**.** This information will be used only for the purpose for which the completion of this form is intended and will only be accessed by persons who have been authorised to do so. Your personal information is handled in accordance with the *Information Privacy Act 2009*.

FEES & CHARGES INFORMATION
The following fees apply to a new Application for an Approval to Operate a Camping Ground: **Application Fee**- this fee applies to the lodgement and assessment of the Application and one inspection* prior to opening/operating (Final Inspection); and **Annual Approval and Inspection Fee**- this fee applies to the issuing of a licence/approval for the stated term and all routine inspections* to be undertaken during the period for which the licence/approval is valid. *(Please note: a new application for an initial Approval to Operate a Camping Ground must be accompanied by the Application Fee AND the Annual Approval and Inspection Fee).* **Please note: any additional follow-up inspections to verify compliance may incur an additional inspection fee.* Fees also apply for applications for an administrative amendment to an approval, the transfer of an existing approval, and alterations to an existing approved facility. Please refer to the Fees and Charges Schedule in place at the time of making this Application for fee amounts. The Fees and Charges Schedule for the current financial year can be accessed on Council's website.

DEFINITIONS
AMENDMENT: is for an administrative amendment to an approval only and may include the addition or removal of any additional approval holders or a change in the business trading name. A new certificate will be issued upon approval of an amendment application that reflects the required changes. ALTERATION: is for a minor or major alteration to an existing approved premises and may include additions or alterations to existing infrastructure or services such as a change in the number of camp sites, changes to amenities etc. Council's Environmental Health Section will determine whether the proposed alterations are minor or major in nature. Council approval of an alteration application is required prior to works being undertaken.

Section 1: APPLICATION TYPE

Provide details of cleaning schedules:	

Section 9: AMENDMENT DETAILS *(Provide details of changes required to your existing approval)*			
Approval Holder:		**Approval Number:**	
Change of Default Postal Address:			
Inclusion of Additional Approval Holders:			
Removal of Additional Approval Holders:			
Change of Approval Holder from Individual to Company Entity: (note: the individual approval holder must be a director of the company entity)			
Change of Business Trading Name:			
Request to Amend Conditions of Approval: (refer to existing approval conditions subject of the request and provide grounds for the request for amendment)			
Other (provide details):			

Section 10: AUTHORISATION TO TRANSFER AN EXISTING APPROVAL
(Must be completed by the current Approval Holder to authorise the Transfer of the Approval to another person or entity).

I, _____, as the current holder of the existing approval quoted above, issued to me under *Fraser Coast Regional Council Local Law No. 1 (Administration) 2011* (the Local Law) to Operate a Camping Ground at the abovementioned property, authorise the transfer of this approval to the applicant under the Local Law.

Signature:	
Date:	

Section 11: ATTACHMENTS

☐ A detailed and annotated Site Plan that is drawn to a scale so as to be clearly legible, showing:

(a) the immediate area of the proposed camping ground; and
(b) the location within the local government area; and
(c) the sites for the erection of tents; and
(d) the location of the roads, buildings and structures situated in the camping ground, where applicable; and
(e) the position of all water supply points; and
(f) the position of all refuse containers, where applicable; and
(g) the position of all sanitary, ablution and laundry buildings, where applicable; and
(h) for camping grounds located in a sewered area, the position of all effluent and sullage water drainage lines, dump points, and final disposal area or areas; and
(i) for camping grounds located in a non-sewered area, the position of on-site wastewater treatment systems, dump points, and grey water disposal facilities/areas; and
(j) the nature and position of all fire-fighting facilities; and

☐ A copy of the Guest Register Proforma; and

☐ A copy of latest Pest Control Treatment Report from a Licensed Pest Management Technician, where applicable; and

☐ A Water Supply Management Plan (applicable only where an alternate water supply to Council's reticulated water supply is to be used for potable purposes)

☐ Other supporting documentation, if applicable.

Section 12: DECLARATION

I _____ declare that the information provided by me in this application is true and correct and I consent to the making of enquiries and exchange of information with authorities of any Local, State/Territory or Commonwealth department in regard to any matters relevant to this application.
